Dear Library Supporter,

Pocono Mountain Public Library is a home away from home for the entire community! We are a welcoming place where patrons and visitors can read, learn, and get the personal help they need all while using our wonderful multi-functional building.

In the year 2018, the library was visited over 33,000 times, and our dedicated library staff answered 4,000 reference questions, many of which include lengthy computer assistance. We have super speedy Wi-Fi for people to use their own devices. There are 30 public computers used by patrons for browsing the internet, sending emails, doing homework, procuring legal documents, filing taxes, printing documents, and connecting with social media. Our public computers and Wi-Fi were used over 13,000 times last year!

Every week PMPL has children’s story time and crafts, R.E.A.D. (Reading Education Assistance Dog) literacy programs, and S.T.E.A.M. (Science, Technology, Engineering, Arts, and Math) programs. Each summer we provide weekly special events for children during our annual Summer Reading Program, including events with the PA Game Commission Officers, the Tobyhanna State Park Rangers, as well as magicians, scientists, and storytellers. All year we schedule a variety of arts and crafts activities, music programs, and educational programs for adults, the most popular being arts workshops for watercolor, drawing, and making jewelry. Browsing through our official Facebook page illustrates the wide variety of fantastic programs that we provide the community. Last year our programs were attended 3,170 times by patrons eager to learn and have some fun.

The library offers new books and DVDs to keep our readers and movie lovers of all ages happy, and we also provide a variety of e-audiobooks, e-books, and e-magazines as well as streaming content for patrons on the go! Last year, patrons borrowed library materials 39,825 times, and used our website to stream and download e-books and e-audiobooks 4,672 times.

In 2018 the total value of the services, programs, technology, and collections we provided to the community was at least $1.2 million if each patron was to pay for those same things on their own. The library is a cost efficient resource for the benefit of the entire community. Our Board of Trustees encourages you to make a tax deductible donation to our wonderful library. Every year the Pocono Mountain Public Library gets better because of supporters like you!

Sincerely,

Ann C. Shincovich, Library Director

Danielle Rake, Board President
